## AGC Georgia Training Center

Enter on Far Right Side of Building

1940 The Exchange

Atlanta, GA 30339

[www.agcga.org](http://www.agcga.org) // 678-298-4100

Our program will be an **open discussion** between contracting firm panelists and all participants. Anyone on your team charged with implementation of construction technology will find this event beneficial. **AGC Georgia Technology Day powered by HP** blends the perspective of general and specialty contractors during four 30-minute sessions. These topics are our roadmap, however, we welcome “detours and scenic roads” encountered during our open discussion.

### Registration: Log in @ [agcga.org](http://agcga.org); pay w/credit card

- \$18 – Representative of AGC Georgia Member Firm or \$36 – Representative of non-AGC Georgia Member Firm  
*Non-members learning of event through HP or Jobsite Tech Group are invited to use promo code **HPTECH** at checkout to receive preferred pricing. AGC Georgia member firms already receive lowest pricing by registering online with their username/password.*
